#### 1. GENERAL INFORMATION

The project entitled "EU ECO-LABEL CRITERIA revision for COPYING AND GRAPHIC PAPER" was commissioned, in year 2008, by the European Commission to ISPRA (ex APAT - Italian Agency for Environmental Protection and Technical Services), - Service Contract N° 070307/2007/481956/MAR/G2 "EU Eco-label Criteria for Copying and Graphic Paper".

The project is composed of 2 Work Packages (WPs) with different tasks:

- WP1 focuses on the development of a Report for the revision of the existing Copying and Graphic Paper criteria.
- WP 2, based on WP1 results, focuses on the revision of the existing Copying and Graphic paper Criteria.

The attached documents (Annex 1; Annex 2) are the results of task 1 for Work Package 2. The documents have been prepared by Life Cycle Engineering (LCE), as requested by ISPRA, contract with LCE (prot. 006029/APAT of 14-02-08), and approved by ISPRA.

Attached document:

- Annex 1: 2<sup>nd</sup> Background Report for "EU Eco-Label Criteria for Copying and Graphic Paper" (Version 31<sup>st</sup> July 2009);
- Annex 2: 2<sup>nd</sup> Draft Criteria Proposal for "EU Eco-Label Criteria for Copying and Graphic Paper" (Version 31<sup>st</sup> July 2009).
